Company Info:

Marvel Harvest Ltd. was established in Hong Kong in 1981 as a construction material distributor and a service provider. As a distributor, we supply reputable brands of high-quality construction products and equipment. We provide state-of-art technology transfer from countries like United States, Germany, France, Japan, and Italy. As a construction service provider, we offer consultation, application, repair and renovation services, specialising in waterproofing, concrete repairs, flooring and external wall renovation. In addition to its long-established experience, Marvel Harvest is a member of the Hong Kong Concrete Repair & Waterproofing Association and has obtained the ISO 9001 certification.

First-time purchase offer:

CMA member can enjoy HK\$200 offer for the first time purchase.
