

SUSTAINABLE FUR SUMMIT

1 MARCH 2022
10 AM - 12 PM (HKT GMT +8)

The '2030 Agenda for Sustainable Development' envisages a development model "in which humanity lives in harmony with nature and ... other living species are protected." Join us in the Sustainable Fur Summit to learn from our notable industry leaders on how fur trades are in harmony with animal, environment and nature. Don't miss this ultimate opportunity to discover Canada, Hong Kong and international achievements in sustainable fur trade, through balancing indigenous knowledge and cooperation between government, business communities and civil society!
