## BOCHK Corporate Environmental Leadership Awards 2019

### Introduction and Objectives

To raise involvement in environmentally-conscious practices among the manufacturing and services enterprises in Hong Kong and the Pan Pearl River Delta (PRD) region, Federation of Hong Kong Industries (FHKI) and Bank of China (Hong Kong) (BOCHK) have organised the **BOCHK Corporate Environmental Leadership Awards Programme** since 2015, fostering green initiatives to reduce environmental footprints in these communities.

FHKI has taken an active role in encouraging the manufacturing sectors in Hong Kong and the Pan PRD region to step up efforts in undertaking corporate social responsibility and reducing their environmental impact since the launch of the One Factory - One Year - One Environmental Project Programme (1-1-1 Programme) in 2005. As a leading listed commercial banking group in Hong Kong, BOCHK has also been dedicated to supporting green campaigns and reducing carbon emission. As both prestigious institutions share a similar pursuit in protecting the environment, they join hands in a concerted effort to work toward a low-carbon and sustainable future. In a bid to further raise green awareness and reach out to a wider range of businesses, the 1-1-1 Programme was upgraded to **One Enterprise - One Year - One Environmental Project Programme** later in 2015.

In view of the national Belt and Road Initiative gaining ground across regions, the Programme has set up the **Belt and Road Environmental Leadership Recognition Award** to recognise distinguished enterprises who have made dedicated efforts in promoting green awareness and implementing environmental protection measures along the Belt and Road.

To engage small and medium enterprises (SMEs) in the pursuit of environmental protection, the Programme has set up the SME Award in recognition of outstanding green projects initiated by the SMEs. Besides, embracing the new developments in Guangdong-Hong Kong-Macao-Bay Area, the Programme has also set up the Guangdong-Hong Kong-Macao-Bay Area Environmental Leadership Recognition Award to recognise enterprises' contribution in bringing forward more positive environmental impact in Bay Area's city cluster.

## 中銀香港企業環保領先大獎 2019

### 簡介及目的

香港工業總會（工總）與中國銀行（香港）（中銀香港）自 2015 年起攜手合辦「**中銀香港企業環保領先大獎**」，旨在鼓勵香港及泛珠三角地區從事製造業及服務業的企業推行環保措施，致力減少有關地區的環境污染。

工總於 2005 年首度推出「一廠一年一環保項目」計劃（「壹 - 壹 - 壹」計劃），推動香港及泛珠三角地區的製造業同業肩負起企業社會責任，以減輕營運對環境的影響。中銀香港作為香港主要的上市商業銀行集團，素來致力支持及推動環保減碳工作；這理念正好與「壹 - 壹 - 壹」的宗旨互相配合，共同為建構低碳綠色未來而努力。為鼓勵更多企業提升其環保表現，「壹 - 壹 - 壹」計劃由 2015 年起已升級為「**一企一年一環保項目**」計劃。

隨著國家推進一帶一路經濟發展策略，計劃亦同時設立「**一帶一路環保領先嘉許獎**」，以表揚在一帶一路沿線地區積極提倡和推動環保的企業。

為鼓勵更多中小企業加入環保行列，今年度計劃將繼續頒發「中小企業獎」以嘉許環保表現卓越的中小企業。與此同時，配合粵港澳大灣區迎來新發展階段，計劃另設「**粵港澳大灣區環保領先嘉許獎**」以表揚企業就改善大灣區城市群的环境所作出的貢獻。
