Celebrate Excellence

Reimagining Smart Ageing City

**Smart
Ageing
Award 2021**

智齡世代大獎

With the rapid growth of the ageing population in the Asia Pacific region, unprecedented economic and social opportunities have grown steadily across the board. The first-ever Smart Ageing Award, initiated by Golden Age Foundation, aims to celebrate outstanding services, products and programmes which enhance the quality of elderly life and embrace independent and dignified ageing. It also aims at inspiring more innovative ideas and initiatives that will reshape the future of smart ageing.

Applications will be reviewed according to the level of innovation, scalability and sustainability, evidence of success, collaboration and the overall user experience.

The first Smart Ageing Award will accept application from 1 June to 16 July 2021 and is open to all sizes of corporations, social enterprises, NGOs, educational institutes, etc from Hong Kong, China and the Asia-Pacific.
