自年初香港爆發新冠肺炎疫情後,令本已因中美貿易摩擦和社會事件而積弱的經濟,陷入數十年來最嚴重的衰退,商品出口、本地消費、服務輸出等環節無一倖免遭受沉重打擊。儘管經濟活動逐漸恢復,但全球疫情仍不斷出現反覆,出行和外貿需求仍會繼續萎靡不振,實難奢望香港在短時間內有驚人的復甦。

Since the outbreak of Covid-19 in Hong Kong at the beginning of the year, an economy weakened by China-US trade disputes and social unrest has been plunged into the worst recession in decades. Every aspect of the economy has been hit hard, including domestic exports, local consumption and service exports. Although many countries and regions have begun to resume business activities, the crisis appears to be far from over. Demand for travel and trade is expected to continue to languish, and it is unrealistic to expect Hong Kong to experience a fast recovery in a short period of time.

廠商會的會員,以從事製造和貿易業居多,他們好不容易才挺過國內的疫情,產能逐步恢復正常之際,海外訂單卻被削減,瞬間又再陷入困頓。我們估計,製造業和相關貿易企業在未來一段日子,前景恐怕未許樂觀。

過去幾個月,特區政府推出了多輪支援 企業和保就業的措施,對資金困窘的中 小企來說,是續命的甘露;廠商會與業界 保持密切的溝通,聆聽他們對措施的看 法,續向有關當局反映,爭取拾漏補遺。 不過,面對如此巨大且深遠的沖擊,自救 才是關鍵。在本港疫情最嚴峻的短短兩 As the members of CMA are mostly engaged in manufacturing and trade, they are direct victims of the disruption in supply chain during the pandemic. While production capacity has gradually returned to normal after the Mainland managed to control the epidemic, our members have faced a second wave of order cancellations, reduced order volumes and extended payment terms, which added to their financial burden. We believe that the outlook for manufacturing and related trading businesses is not optimistic.

Over the past few months, the HKSAR government has launched several rounds of measures to support enterprises and safeguard jobs. For SMEs struggling with financial difficulties, these measures have helped preserve their business. We have maintained close communication with the industry and channelled their feedback to the relevant authorities to plug any gaps in the implementation. In view of the pandemic's vast, far-reaching impact, however, self-help is the key. CMA organised nearly 20 webinars as the

吳宏斌會長於「慶祝國家成立70周年暨廠商會85周年午餐酒會」致辭Dr Dennis Ng delivered a speech at the lunch reception on "70th Anniversary of the Founding of the PRC and the 85th Anniversary of CMA"

個月內,我們籌辦了近20場網絡研討會,匯集 各個範疇的專家,詳細分析市場和經營環境變 化所帶來的影響,傳授應急管理和業務重構的 策略,提升企業的「免疫力」,戰勝危機。

壓力往往也是推動發展的動力。加快升級,特別是數碼轉型已成為企業在「後疫情時代」必須面對的課題,也是化危機為生機的要訣。另一方面,中國是疫情中最快復原的國家,毫無疑問她將繼續成為推動世界經濟發展的「穩定器」,港商應該善用熟悉內地市場的固有優勢,尋找緊務增長的新動能。廠商會將繼續協助業界抓緊產業升級所帶來的各種機遇,並發掘更有效的內銷渠道,為深化國內市場夯實基礎。我們正進行一項關於粵港澳大灣區市場的研究和推廣項目,包括各大灣區城市消費者問卷調查、個案研究、香港品牌和產品展示等;此外,我們去年委託香港嶺南大學進行了一項有關大灣區內港資製造業經營情況和發展政策的調查研究,結果亦已於較早前公布。

去年,我們舉辦了多場研討會,協助企業抓住中 美貿易摩擦發展的脈動,兩國關係曾一度隨着達 成第一階段貿易協議而有所緩和,但疫情所引 起的另一輪政治糾紛和角力,又將令國際大勢再 次風雲色變,當中全球供應鏈布局所帶來的影 響是業界最關注的;面對當前國際貿易停滯和 產業鏈重構風險,廠商會將加緊促請政府推出 更多刺激政策加速經濟復甦,並協助企業為適 應新時代作好準備。 crisis peaked in the past few months, bringing together experts from various fields to analyse in detail the impact of changes in markets and operating environments and to advise enterprises on emergency management and business reconstruction strategies to lessen the pandemic's impact and overcome the crisis.

China is the first country to recover in the global pandemic, and it will undoubtedly continue to be a source of stability to the world economy. Hong Kong manufacturers should make good use of their close connection with the Mainland market and must find new momentum for business growth. CMA will continue to help the industry seize the opportunities offered by industrial upgrading and will explore more effective domestic sales channels to exploit the Mainland market. Currently, CMA is working on a research and promotion project in the Guangdong-Hong Kong-Macao Greater Bay Area market, including consumer surveys, case studies, Hong Kong brand and product display. etc. In addition, we entrusted Lingnan University of Hong Kong with conducting a research study on the operation and development policies of Hong Kong-funded manufacturers in the Greater Bay Area, and the findings have recently been announced.

Last year, we held a number of seminars to help our members understand the latest developments in the China-US trade disputes. The relationship between the two countries had eased somewhat with the conclusion of the first-phase trade agreement, but Covid-19 has triggered another round of political confrontation. Amidst these changes, the impact on the global supply chain is the industry's greatest concern. In light of the current stagnation of international trade and the risk of industrial chain restructuring, CMA will continue to urge the government to launch more stimulus policies to accelerate economic recovery and help companies prepare for the transformations of the new era.

疫情期間,香港經歷了口罩短缺的風波,亦因此驅使了「港產口罩」的誕生。幾十條口罩生產線在極短時間內由無到有,再次體現了香港品牌、香港製造和企業家精神的軟實力,也是一次產、研、官、社會緊密合作的成功範例。過去幾年,香港推動「再工業化」的進展一直緩慢,今次政府「破天荒」直接資助扶持特定產業發展的做法,相信會為拓寬香港產業政策的思路以及推動再工業的「落地」帶來重大的啟示。

2019年是國家建國70周年的大慶,也是廠商會85歲的生辰,由年初開始,我們便浪接浪地推出各類型慶祝項目;雖然,下半年香港發生了連串暴力事件,令社會秩序大亂,部份項目在安排上亦需要稍為變陣以應對任何突發事件;當中,已有逾80年歷史的「工展會」因為展期和場地位置等因素令舉辦的風險大大增加,但它始終是香港每年的傳統和盛事,也是不少港商最重要的展銷平台之一,可以說,「工展會」對市民、展商和廠商會均具特殊的意義,因此我們決定迎難以上,勇往直前;最終,「工展會」和其他項目均順利進行,並且反應不俗!

During the epidemic, Hong Kong experienced a shortage of masks, which led to the emergence of "Hong Kong-made masks". Dozens of mask production lines have emerged in a very short period, once again demonstrating the soft power of Hong Kong brands, the entrepreneurship of our manufacturers and illustrating the close cooperation between enterprises, the research community, and government. Over the past few years, progress in promoting "re-industrialisation" in Hong Kong has been stagnant, but the government's ground-breaking measure of providing direct subsidies to support the development of specific industries, like in this case, should significantly enhance the development of a industrial policy and facilitate "re-industrialisation".

The year 2019 marked the 70th anniversary of the founding of the PRC and the 85th anniversary of CMA. From the beginning of the year, CMA organised a series of events and activities, and modified some activities due to the social disorder in the second half of the year. The history of the "Hong Kong Brands and Products Expo" (HKBPE) spans over 80 years, but the scheduled exhibition period and venue location presented risks for the organisation of the event. Nevertheless, CMA was determined to preserve this signature event for Hong Kong, so we decided to meet the difficulties head on and move forward. In the end, the HKBPE and other activities all proceeded smoothly and garnered positive feedback.

吳宏斌會長 (前排左三) 與林鄭月娥行政長官 (前排左四) 會面,就各種工商界議題交流意見 Dr Dennis Ng (3rd from the left, first row) met with HKSAR Chief Executive the Hon Mrs Carrie Lam (4th from the left, first row) to exchange views on business-related matters

我三年的任期尚餘幾個月,過去兩年多,香港所經歷的考驗一次比一次嚴峻,可說是始料不及!但亦因此,讓我有機會帶領廠商會發揮好功能和力量,為香港和業界貢獻更多。我衷心希望各界能繼續支持廠商會,攜手跨越逆境。

This year, however, various CMA projects have been severely affected due to the pandemic. The presentation ceremony of the Hong Kong Brands Awards, "HKBPE, Macau", the rebranding ceremony of CMA Testing, a high-level delegation to Beijing and a large-scale delegation visit to Zhanjiang were originally scheduled for the first half of the year, but are now postponed. The Hong Kong International Education Expo (first held last year with impressive results) and the Spring Festival Dinner Reception have been cancelled. Nevertheless, CMA's daily operation has not been affected. In addition to formulating contingency measures due to the postponed activities, assisting industry in this period and lobbying for its rights and interests, CMA has upheld its social responsibilities, providing masks and anti-epidemic material for frontline hospital workers, CMA member companies and its staff. As things are expected to return to normal, the pace of CMA's work will pick up quickly for the rest of the year.

The pandemic storm will come to pass, but the recovery process will be fraught with risks. We observe that Hong Kong faces many social problems that urgently need resolution, but the wave of unemployment and corporate bankruptcies will most likely further aggravate social conflicts. The introduction of national security legislation has been effective in curbing disorder and safeguarding the safety and stability of Hong Kong. Nevertheless, we should not ignore the impact of the US sanction threats. The CMA supports the Hong Kong government's efforts to promote Hong Kong and rebuild international confidence. As the saying goes, "Misfortune comes with fortune, but fortune lies in misfortune". At this time, we must demonstrate our perseverance and entrepreneurial spirit. If we plan ahead and respond judiciously, we will surely turn misfortune into a blessing. The CMA hopes that the industry will fully use the resources provided by the CMA and help each other overcome the difficulties to recover lost ground.

In the past two years, Hong Kong has experienced increasingly severe tests, beyond what we could ever foresee, but they have given me the opportunity to lead CMA to contribute more to Hong Kong and the industry. As I approach the end of my 3-year term, as president, I sincerely hope that all our members will continue to support the CMA and unite as one to overcome adversity.

The 41st General Committee, which comprises 110 business leaders from different industries, has rich experience and aspirations to serve society to ensure that CMA's actions and initiatives account for the rights and interests of the industrial sector and social development.

The General Committee has 3 standing committees – the Consultative Committee, the Finance Standing Committee and the General Affairs Standing Committee – which are responsible for managing CMA's financial and administrative affairs respectively. The 41st General Committee also has 16 committees, each responsible for specific duties, including conducting public policy research and strategic studies, collecting views and information from the industrial sector and coordinating and executing plans and projects implemented by the General Committee. There are 35 industrial committees under the 41st General Committee with the responsibilities of providing the latest information about their relevant industries to the General Committee.

The General Committee holds a monthly meeting chaired by the president. In addition to receiving briefings on the work of the committees, it will also discuss and vote on important CMA matters.

The formation methods and the roles and responsibilities of the General Committee and committee members as well as the membership qualifications and member rights are regulated by the Articles of Association of the CMA (the AoA). In order to improve the CMA's AoA, the 41st General Committee established the AoA Revision Committee at the beginning of its term, which is convened by Permanent Honorary President Dr David Wong. The amendment exercise was completed and approved in 2019. The amendment was divided into the following 5 categories: (1) improve the methods for election of General Committee members and the election of the president, (2) comply with the latest Companies Ordinance, (3) revise inappropriate/unclear descriptions of the provisions, (4) revise the qualifications of membership and [5] revise certain names and other miscellaneous items.

2019年是國家成立70周年華誕,也迎來了廠商會85歲壽辰。為此,廠商會舉行及參與了一系列慶祝活動,與社會各界分享這份雙重喜悅;既回顧了廠商會和香港工業發展的變遷,亦前瞻了國家的新機遇,藉此重要時刻,推動業界融入國家發展大局中。

The year 2019 marks the 70th anniversary of the founding of the People's Republic of China (PRC) and the 85th anniversary of CMA. During the last year, CMA has organised and participated in a series of events and activities to share the joy of the double celebration with the community. Not only did these events look back on the development of CMA and historic changes in Hong Kong's manufacturing industry, but they also looked ahead to new opportunities brought about by the development of the country to promote the integration of industry into the nation's overall development.

啟動慶祝活動 Kick-off Ceremony for the Celebration Events 2019年1月22日,廠商會舉行新聞發布會 及午宴,率先向傳媒披露各項慶祝活動 的詳情。當日有近40位來自不同傳媒機 構的代表出席,相關報導超過25篇。

On 22 January 2019, CMA held a press conference cum media luncheon to announce the details for a series of celebration programmes. Nearly 40 representatives of various media institutions attended, and more than 25 pieces of news coverage were generated.

潮汕考察團 Delegation to Chaoshan

香港與潮汕的淵源深厚,她除了是不少港人的故鄉外,也是百年來與香港有緊密經貿聯繫的地方。吳宏斌會長在2019年4月27至29日,率領300人代表團訪問潮州和汕頭,這是廠商會史上最大規模的考察團。代表團此行先後拜訪了汕頭市市長鄭劍戈和潮州市委副書記、市長殷昭舉,並參觀了一所醫療科技企業,觀摩當地高新科技產業的優勢;團員亦遊覽了多個歷史名勝及品嘗特色美食,深度認識潮汕源遠流長的文化底蘊。

是次考察在一片歡笑聲中圓滿結束,充份體現了廠商會會員之間團結融洽的關係。

Chaoshan has a long and close relationship with Hong Kong. In addition to being the hometown of many Hong Kong residents, it has had close economic and trade ties with Hong Kong for the past 100 years. Dr Dennis Ng, the president of CMA, led a delegation of 300 people to visit Chaozhou and Shantou from 27 to 29 April 2019, the largest in scale in the CMA's history. The delegation was received by Mr Zheng Jiange, Mayor of Shantou City, and Mr Yin Zhaoju, the Deputy Secretary of the Chaozhou Municipal Committee of the CPC and the Mayor of Chaozhou City. The delegates visited a leading medical technology enterprise to learn more about the advantages of the local high-tech industry. They also visited a number of historical sites and tasted local cuisine to gain an in-depth and comprehensive understanding of Chaoshan's cultural heritage.

The delegation concluded successfully, reflecting the harmonious relationships among the members of CMA.

Dr Dennis Ng, CMA President (2nd from the left), presented a cheque worth HK\$850,000 to Mr Woo Ying Ming, Commissioner of Correctional Services (2nd from the right), to sponsor the interactive musical drama "Own Your Life"

廠商會深明良好治安是香港賴以成功的基礎,多年來大力支持懲教署的防罪及更生工作。在2019年,廠商會捐出港幣85萬元,與懲教署合辦「更生先鋒計劃」互動音樂劇場一《人生請揀》,以加強年青人防罪守法的意識。支票頒贈儀式於「慶祝國家成立70周年暨廠商會85周年午餐酒會」內進行,由懲教署署長胡英明代表接受。

該活動於10月正式啟動,分為啟動禮、工作坊 及大匯演三部分,為期半年,預計全港有超過 10,000名學生參與。其中啟動禮以互動音樂劇 場形式進行,以時下青少年常面對的困難和誘 惑為故事藍本,透過富創意的表演藝術和更生 人士的分享,讓學生能深切感受犯罪需要承受 的沉重代價,從而遠離罪惡。 Good law and order has substantially contributed to the success of Hong Kong, and CMA has always supported the crime prevention and rehabilitation work of the Correctional Services Department (CSD). In 2019, CMA donated HK\$850,000 to co-organise the interactive musical drama "Own Your Life" with CSD's Rehabilitation Pioneer Project to enhance the law-abiding awareness of young people. The donation cheque presentation ceremony for the musical drama was held during the lunch reception celebrating the 70th anniversary of the founding of the PRC and the 85th anniversary of CMA. The cheque was received by Mr Woo Ying Ming, the Commissioner of Correctional Services.

Launched in October 2019, the "Own Your Life" campaign is a half-year programme with 3 phases: a kick-off show, workshops and a gala show. It is expected that more than 10,000 students will participate in the campaign. The kick-off show was performed as an interactive musical drama based on the difficulties and temptations youths face in their daily lives. Through creative performing arts and the stories shared by rehabilitated persons, the kick-off show demonstrated to students that there is a heavy price to pay for committing crime.

#### 廠商會歷史資料庫

香港中國殿隊聯合會(曼稱廠商會)的前身為「僕港國貨廠商聯合會」,於1933年4月11日由商界發起轉組,並於1934年正式成立並易名為「香港中華廠商聯合會」。

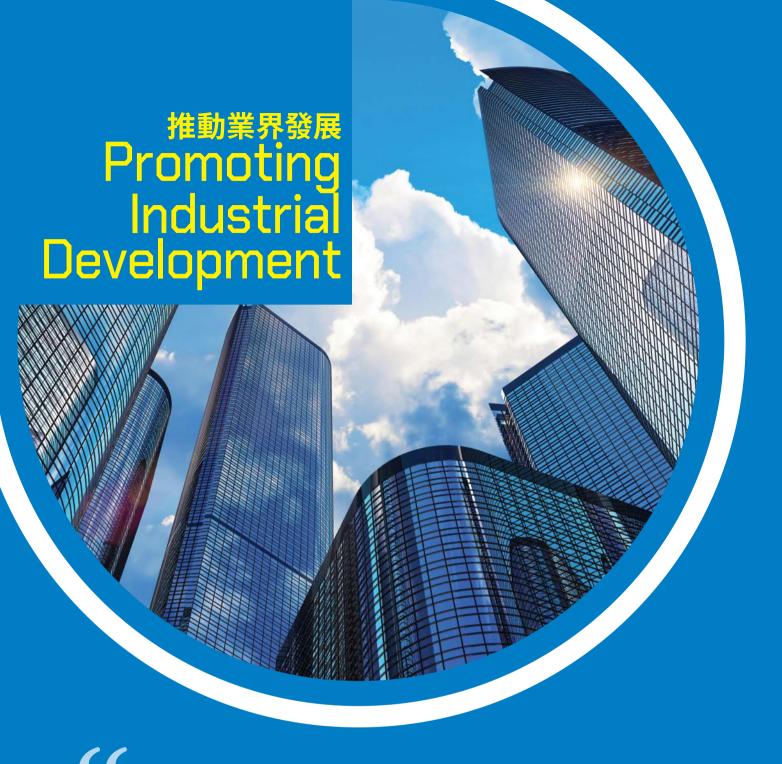

多年來,微爾會在歷國會長的領導下,一直讀潔著工國界與政府和社會人士清理的模保,並且積優推動高港工商無發展及維護無界的合理 權益;與此同時,服務會案標香港,在人才培育、扶助誤勢社尊、推動社會和腦等方國亦作出了巨大的興獻。

這個資料連記載了廠商會珍貴的歷史資料,撰朝心香港廠商發展的海內外各界人士結了解廠商會自成立以來為香港乃至世界工業和貿易發展所作出的努力和貢獻。

如想下數、翻印、複製或發布本資料庫的資料,讀電影談<u>corpcom@cma.org.hk</u>取得授權。

為了讓大眾深入了解廠商會的發展足跡和香港工業近百年來的今昔變遷,廠商會聯同大學界,花了逾1年時間籌備,成立了一個數碼歷史檔案庫,蒐集了逾千份紀錄了廠商會歷史、側寫香港工業發展的文件、照片及剪報,並輯錄了歷屆廠商會會長的口述歷史訪問。資料庫已於2020年年中正式啟用。

To enable the public to understand the rich history of CMA and the evolution of Hong Kong's manufacturing industry over the past century, CMA established an online archives information centre together with the higher education sector. The online centre has collected over 1,000 documents, photos and newspaper clippings that record the history of both CMA and local industrial development. It will also include oral history recordings of the CMA presidents over the years. The database was officially launched in mid-2020.

我們的經濟和社會正經歷深刻的結構性變化,新興科技既是機遇也是挑戰,與此同時,國際貿易關係充滿不確定性。面對如此複雜多變的環境,「以不息為體,以日新為道」幾乎是唯一的對策。廠商會致力爭取更佳的營商及產業發展環境,同時幫助業界伺機而動、主動謀變。

Our economy and society are undergoing significant structural changes, and emerging technologies pose both opportunities and challenges. Meanwhile, international trade relations are full of uncertainty. In such a complex and volatile environment, persistence in innovations is the only feasible solution. The CMA continues to strive for a better business and industrial environment while identifying opportunities and areas of improvement.

#### 倡議及研究 Advocacy and Research

## 跨越危機 Overcoming Crises

過去一年,受中美貿易摩擦及社會運動的 連番夾擊,本港經濟遭受重創,社會各界 特別是工商業面臨前所未有的挑戰。廠商 會密切注視事態的發展,及時向業界發放 第一手資訊,並關注會員的經營情況,多 次向政府反映,冀當局向企業提供實際和 可行的支援。

中美貿易摩擦且戰且停,為了協助會員應對這場持久戰,廠商會特成立中美貿易摩擦聚焦小組。年內,廠商會亦舉行了多場與貿易摩擦相關的午餐會、研討會及講座,包括與工銀亞洲合作,於7月19日舉行的「中美貿易磨擦應對策略午餐會」,以及於8月13日舉行的「中美貿易戰:應對有方」研討會,邀請各方專家及業界代表分享應付貿易摩擦的避險策略。

The local economy has been hit hard by the consecutive crises of the China-US tensions and social incidents. Every sector of society, especially industry and commerce, is facing unprecedented challenges. CMA has been monitoring developments and providing the industry with the latest information. CMA stayed up to date with the operating conditions of its members, taking their concerns directly to the government in the hope that the authorities can provide practical support to the manufacturing industry.

The rivalry between the two superpowers is an enduring battle. To help our members cope with it, the CMA has established a focus group and also organised multiple luncheons, seminars and lectures, including the "China-US Trade Friction Response Strategy Luncheon", which was jointly organised with the ICBC (Asia) on 19 July, and the "Strategies for Dealing with the China-US Trade War" seminar, which was held on 13 August. Experts and industry representatives were invited to these events to share hedging strategies.

廠商會樂見特區政府廣納本會及其他業界代表的意見,於2019年下半年短短數月內已推出三輪支援企業和市民的措施。鑑於未來的營商前景仍存在許多不確定性,本會盼當局能因應形勢的發展和需要,適時推行更多一次性回饋及紓困措施,尤其關顧眾多中小企因經濟急速下行而產生的資金周轉壓力,並在社會回復正常秩序後,盡快開展推廣香港的工作,重建游客和外來投資者的信心。

We are pleased that the government has taken our advice and the suggestions of other industry representatives into account. In the second half of 2019, the government launched 3 rounds of measures to provide financial support for both businesses and local citizens. With multiple uncertainties in the future business environment, CMA hopes that the authorities can provide more one-off rebates and other relief measures in response to current developments and needs, especially the capital turnover pressure many SMEs have experienced due to the rapid economic downturn. Once society returns to normal, the government should introduce various methods of promoting Hong Kong and restoring the confidence of tourists and foreign investors.

中美貿易磨擦應對策略午餐會 China-US Trade Friction Response Strategy Luncheon

#### 再工業化 Re-industrialisation

本港在制定全盤工業政策方面的進程仍然緩慢。雖然《粵港澳大灣區發展規劃綱要》中提及「支持香港在優勢領域探索『再工業化』」,但特區政府卻並未明確將「再工業化」納入於參與大灣區建設的政策範疇以內。

本會認為,政府應對香港工業在未來區域經濟發展中的機遇和角色作出深入的探討和籌劃;更應主動帶頭推動社會各界重視製造業,尤其是延外發展的特殊價值,提升「再工業化」的政策定位,以具全局性的視野,制定前瞻性的工業政策,並利用土地、財稅、人才引進、勞力供應和法規等方面的優惠和便利性措施,推動傳統製造業、新興產業、本土工業和境外製造的平衡發展。政府亦應把握當前國際產業轉移的新形勢,吸引港商及海內外企業在港設立高端生產線和研發基地。

The progress in formulating Hong Kong's overall industrial policies has continued to be slow. Although Hong Kong is supported in exploring "re-industrialisation" in priority sectors, as featured in the Outline Development Plan for the Guangdong-Hong Kong-Macao Greater Bay Area, the HKSAR government has yet to explicitly include "re-industrialisation" in its plan for participating in the development of the Greater Bay Area.

We believe that the government should carry out thorough discussions and planning on the opportunities and roles of Hong Kong's manufacturing industry in the coordinated economic development of the Greater Bay Area. The government should take the initiative to recognise the manufacturing industry's contributions, particularly the special value of its outward development. The government should adopt a comprehensive approach in its "re-industralisation" policy and formulate forward-looking strategies. The government should provide support measures on land, finance, tax, talent introduction, labour supply and regulations to aid the balanced development of traditional manufacturing industries, emerging industries, local industries and overseas manufacturing. With a new round of global industrial transfer looming, the government should grasp the opportunity to attract Hong Kong businesses and foreign enterprises to set up high-end production lines and R&D bases in Hong Kong.

## 創新科技

#### Innovation and Technology

創新及科技是提升經濟競爭力的必要元素,也是高端製造業發展的原動力。雖然特區政府近年已加大力度推動創科和研發活動,但本港研發開支佔GDP的比率仍然遠比內地及鄰近地區低,工商機構在研發方面所投入的經費亦不高。

為配合政府實現香港發展成為大灣 區內國際科技創新中心的目標,廠商 會於過去一年,向特區政府及相關 機構提出了多項推動本地創科發展 的建議,包括設定一個由政府出資 的研發開支增長目標,及建立一系列 績效指標,以衡量本地創科發展的成 效;允許香港的科研資源及資助能 「過河」,以及推動香港的大專院校、科 研機構與「珠三角」港資企業的合作,以 支援境外港資工業實現升級;此外,為促 進下游科研成果轉化和落地,政府在審 批資助項目和大學科研經費撥款時,應 以成果的應用性及對社會經濟的影響等 作為重要的考量準則,而政府亦應帶頭 採購港產的科研產品,積極服務及倡導 「港研港用」。

除了政策建議外,廠商會亦帶頭支援初 創及鼓勵工商界善用本地的科研成果, 包括於4月26日及8月23日舉行了兩次 「廠商會創科號快車2019」交流聚會,安 排會員前往數碼港及科學園,與園區內 的初創企業及合作夥伴公司進行商業配 對,讓業界認識本地最新的科技應用方 案。此外,廠商會自2018年起分階段撥出 港幣500萬元,注資本港的天使基金,至 今已支援20家初創企業,項目涉及虛擬 實境遊戲、區塊鏈技術、金融科技、支付 方案及檢測等高科技範疇。 Innovation and technology are essential elements for enhancing economic competitiveness, and they are the driving forces behind high-end manufacturing development. Although the government has increased its efforts to encourage innovation and R&D, Hong Kong's ratio of R&D expenditure to GDP is still much lower compared to that of the Mainland and neighbouring regions. The R&D expenditures of the industrial and commercial sectors are also limited.

CMA has made a number of recommendations to the government and relevant authorities to promote the development of local science and technology over the past year in response to Hong Kong's goal of being the international innovation and technology hub of the Greater Bay Area. This includes setting a growth target for government-funded R&D expenditures and establishing a series of performance indicators for measuring the progress of technological innovation. CMA also recommended that the government allow for the crossborder remittances of research funding and the promotion of cooperation between tertiary institutions, research institutions and Hong Kong-funded enterprises in the Pearl River Delta to assist in the upgrading of Hong Kong manufacturing firms on the Mainland. The government should consider the applicability of technology and its impact on the economy as an important criterion when approving project funding and university research funding. The government should also take the lead in using technology products and services researched and developed locally in a bid to support local innovation and technology sector.

In addition to policy advocacy, CMA has taken the lead in supporting startups and encouraging the business community to adopt locally developed technologies. In 2019, we organised 2 "CMA InnoExpress" seminars on 26 April and 23 August at Cyberport and HKSTP, respectively. Members were invited to conduct business matching with start-ups and partner companies within the premises while learning more about the latest local technologies and solutions. Since 2018, CMA has allocated HK\$5 million to a local angel fund. By end of 2019, 20 companies were benefited and the funded projects covered areas of VR game, blockchain technology, FinTech, payment solutions and testing.

#### 關注內地企業

## Supporting Hong Kong Enterprises Operating on the Mainland

廠商會組織考察團到東莞,參觀當地高新環保企業 CMA organised a trade mission to Dongguan to visit the local enterprises which implemented cleaner production

隨着內外經濟迅速發展,以及 全球市場競爭日趨激烈,對同 時面臨着產業轉型壓力增大和 市場風險上升等考驗的內地港 資企業來說,生存和發展空間 都受到嚴重打壓。

With the rapid development of domestic and foreign economies and increasingly fierce competition in the global market, Hong Kong-owned enterprises on the Mainland are under tremendous pressure in terms of industrial transformation and rising market risks. Room for survival and business development have both been severely affected.

CMA's Mainland China Affairs Committee has held 10 meetings over the past year to discuss topics that concern the Hong Kong-funded enterprises on the Mainland, including China's Foreign Investment Bill (draft), the Foreign Investment Law Implementing Regulations (consultation paper), the Regulations on Optimising the Business Environment (consultation paper), policies on the restructuring and upgrading of enterprises engaged in the processing trade, the impact of the China-US trade frictions on Hong Kong-owned enterprises in Mainland and environmental protection policies. The committee conveyed its opinions to the relevant authorities, including the relevant state departments, the Liaison Office of the Central People's Government in the HKSAR, the Hong Kong Economic and Trade Office in Guangdong, the Trade and Industry Department and the relevant departments of Guangdong Province.

In order to fully understand the operations of the Hong Kong-funded manufacturing industry in the Greater Bay Area, and arouse the concern of the relevant authorities and the SAR Government about the value and role of these enterprises, and to provide development strategies and policy recommendations on the enterprises' transformations and upgrades, CMA commissioned a consultancy study in March 2019. It was conducted by the China Economic Research Programme of Lingnan University. The project was funded by the BUD Fund, which is administered by the Trade and Industry Department.

此外,廠商會亦繼續促請特區政府,用好 G2G層面的溝通,及時向內地相關部門反 映港商當前的情況和訴求,並希望政府盡 快檢討《稅務條例》第39E條和第16EC條 所涉及的跨境稅務安排。

為響應特區政府的「清潔生產伙伴計劃」, 協助廣東省的港資工廠採用能提升能源 效益和減少廢氣排放的生產技術,廠商會 於年內組織了3次考察團,率領會員到東 莞參觀多家在清潔生產方面表現出色的 企業,並舉行3場專題研討會,講解多種環 保生產技術及國內最新的環境政策。

CMA also continued to encourage the government to make good use of the G2G-level communication platform and communicate the situation and demands of Hong Kong businesses to the relevant Mainland authorities. CMA hopes that the government will review the cross-border tax arrangements set out in Sections 39E and 16EC of the Inland Revenue Ordinance as soon as possible.

The Cleaner Production Partnership Programme initiated by the government encourages Hong Kong-funded factories in Guangdong to adopt cleaner production technologies and practices to improve energy efficiency and reduce emissions. Furthermore, 3 seminars were held to introduce cleaner production technologies and the latest domestic environmental policies.

## 拓展多元市場 **Expanding and Diversifying Market**

中美貿易摩擦加速全球產業鏈重 組,加快拓展多元化市場和分散 生產基地是香港企業突圍致勝 的根本之道。

愈來愈多港商響應「一帶一路」 的倡議到沿線國家投資設廠。廠 商會於5月18日舉行「與埃塞俄比 亞駐中國特命全權大使會面」, 安排會員與埃國經貿代表進行交 流,了解當地的基建配套、外商 投資情況以及其優勢產業的投 資機遇。廠商會並於5月22至26 日舉行考察團,帶領業界前赴孟 加拉,探索這個正在南亞急速冒 起中的重要製造業基地。

為了配合企業加緊拓展全球化業 務版圖的需要,廠商會正促請政 府全面放開「BUD專項基金」的 地域限制,將其適用範圍一次過 延展至世界各地的經濟體。

The China-US trade frictions has accelerated the restructuring of the global industrial chain. To stand out in the competition, Hong Kong's enterprises must hasten the diversification of markets and the decentralisation of production.

An increasing number of Hong Kong manufacturers have set up factories in countries along the routes of the Belt and Road Initiative. On 18 May, CMA invited the ambassador extraordinary of the Embassy of the Federal Democratic Republic of Ethiopia in China to meet with our members. Our members had the opportunity to learn more about the country's infrastructure, foreign investment policies and investment opportunities of its priority industries. CMA also organised a delegation to Bangladesh, one of the fastest growing manufacturing hubs in South Asia, from 22 to 26 May to explore investment opportunities.

To meet the needs of the expanding global business territory of Hong Kong's enterprises, CMA is urging the government to lift the geographical restrictions of the "BUD Fund" and extend its scope of application to economies around the world.

推動大灣區產業合作能發揮強大的協同效應,其龐大的消費市場潛力也是港商拓展內銷、對抗出口下降的出路。雖然港商對珠三角的發展非常熟悉,但對廣東東西兩翼的最新狀況卻了解不多,廠商會遂於4月27至29日期間,率領近300人訪問團到潮州和汕頭,了解當地最新的經貿發展情況。此外,廠商會於5月20日舉行的會員午餐會上,特別邀請前食物及衛生局局長高永文醫生擔任演講嘉賓,分析醫療產業在大灣區的發展前景。

Promoting industrial cooperation in the Greater Bay Area can create an extensive synergistic effect. The huge potential of the consumer market in the area provides solutions to the challenges of declining export demand in overseas countries. Although Hong Kong businesses are quite familiar with the development of the Pearl River Delta, their understanding of the latest situation in East and West Guangdong is still limited. CMA led a delegation of 300 people to visit Chaozhou and Shantou from 27 to 29 April 2019 to learn about the latest economic and trade developments in the area. We also invited Dr Ko Wing Man, the former Secretary for Food and Health, to be the guest speaker at the luncheon on 20 May to analyse the prospects of healthcare market in the Greater Bay Area.

## Mainland and Overseas Organisations

過去一年,廠商會完成了9個考察團,並接待近100個代表團,與內地各省市及海外地區的政府和工商機構保持良好的互動和交流,加深了對「大灣區」和「一帶一路」沿線國家的認識,更掌握到當地最新的經貿政策,有效協助業界發掘商機。

Over the past year, CMA organised 9 outgoing missions and hosted about 100 visiting parties to facilitate interactions between governments and trade associations on the Mainland and abroad. These provided an excellent opportunity for members of the industry to better understand the latest economic and trade policies in the Greater Bay Area and in Belt and Road countries, and the opportunities in new markets.

## 「香港名牌選舉」及「香港服務名牌選舉」

## Hong Kong Top Brand Awards and Hong Kong Top Service Brand Awards

香港品牌發展局(品牌局)及廠商會所合辦的「品牌選舉」,是同類型選舉之中最享負盛名的,當中的「香港名牌選舉」及「香港服務名牌選舉」更是業界引以為傲的殊榮以及備受市民認同的信心標誌。雖然經濟前景不明朗,但仍然吸引不少高質素的品牌參與本屆名牌選舉,反映企業深明成功的品牌形象能有效驅動業務增長,而該獎項更是實現品牌溢價的有力支持。

經過公眾投票及嚴格評審後,共有17個傑出產品品牌和14個服務品牌脫穎而出,他們不單止具備了成功品牌的各種重要元素,更加表現出逆境中仍持續追求卓越的「香港精神」。

The Brand Awards joinly organised by the BDC and CMA are the most prestigious of their kind. In particular, the "Hong Kong Top Brand Awards" and the "Hong Kong Top Service Brand Awards" are highly recognised by both industry and the public, and they serve as a symbol of confidence. Even though the economic outlook remained uncertain, many high-quality brands were still keen to participate in these prominent awards in 2019. Businesses are aware that a positive brand image can successfully drive business growth, and the awards provide strong support for the achievement of premium positioning.

After public polling and rigorous screening, 17 product brands and 14 service brands were selected. The winning brands feature all the important elements of a successful brand and reflect the "Hong Kong Spirit" in their pursuit of excellence during the economic downturn.

## 「香港傑出品牌領袖獎」

## Hong Kong Distinguished Brand Leader Award

本屆「品牌選舉」獎項增添一員—「香港傑出品牌領袖獎」,旨在表彰對香港品牌發展作出重大貢獻及積極投身品牌創建工作並取得卓越成就的香港企業家,這不但是選舉的首個個人獎項,更是最崇高的榮譽,意味「品牌選舉」已向更高層次延伸。首屆獎項由李錦記集團主席李文達奪得,他將香港的蠔油推廣至全世界,甚至帶到太空,成功打造了一個深植人心的醬油品牌王國,成就遠超想像。品牌局期望李文達先生及往後該獎項的得主,能成為啟迪業界的典範。

The 2019 Brand Awards introduced the brand-new "Hong Kong Distinguished Brand Leader Award", which recognises individuals with significant contributions to the development of Hong Kong brands and outstanding achievements in the brand establishment. This is not only the first individual award for brand leaders but also the highest honour of the Brand Awards, indicating that the Brand Awards has been raised to a higher level. The first "Hong Kong Distinguished Brand Leader Award" was presented to Lee Kum Kee Group Chairman, Mr Lee Man Tat, for his outstanding achievement in promoting local oyster sauce worldwide. As a result of his efforts, the sauce is even being served in outer space! Mr Lee has successfully created a soy sauce kingdom and achieved more than anyone could have imagined. The BDC hopes that Mr Lee and future winners of this award will become the role models of the industry.

The social turmoil of 2019 has posed significant challenges to the exhibition industry in Hong Kong. Fortunately, thanks to CMA's rich experience in event planning and continuous support from the public and different sectors, all exhibitions held during the year were successfully completed. CMA also extended its exhibition organising expertise to another area by hosting an education export for the first time. This experience marked an important milestone for CMA in terms of expanding its diversified exhibition business.

## 香港工展會 Hong Kong Brands and Products Expo (HKBPE)

「第54屆工展會」於2019年12月10至31日假香港銅鑼灣維多利亞公園舉行。自年中社會運動爆發以來,本港多項大型活動相繼延期或取消,令本會舉辦工展會的壓力大增;但畢竟這是幾代港人的集體回憶,貿然停辦實是可惜,加上中小企及零售業正經歷前所未有的寒冬,作為商會對他們作出扶持是應有之義。經過慎重和全面的考慮,廠商會最終決定如期舉行工展會。

然而,對於一切可能突發的危機和保障各持份者的 安全,大會未敢怠慢,特別成立了一個危機應變小 組,制定了一系列控制風險的措施,包括:縮短開放 日期及時間、加強場內外保安、加闊會場通道及提 升防火設備、實施入場安全檢查等。同時,大會亦 大幅調低攤位的租金和入場券價格,與企業和市民 共渡時報。 The "54th Hong Kong Brands and Products Expo" [HKBPE] was held from 10 to 31 December 2019 at Victoria Park, Causeway Bay. Since the social movement began in the middle of the year, various large-scale events in Hong Kong were either delayed or cancelled. The situation presented a major challenge to the HKBPE. Considering that the event's suspension would certainly be a great disappointment to the public, and SMEs and the retail industry experienced a significant economic downturn, CMA decided to go ahead with the expo as scheduled.

To deal with all potential emergencies and ensure the safety of stakeholders, CMA established a crisis management team and laid out a series of risk control measures, such as shortening the opening dates and hours, strengthening the security control inside and outside the venue, widening the hallways, upgrading the fire prevention equipment and conducting security inspections upon entry. CMA also substantially reduced the rent for stalls and the admission fee amid the economic downturn.

Although the expo period was shortened by two days and the numbers of exhibitors and stalls were decreased, the 22-day expo was held successfully and safely. Due to the support of the community and a relatively stable social atmosphere, people's passion for shopping was rekindled. The number of visitors in the first two weeks was no different from the previous year's. In the end, the HKBPE had achieved an outstanding sales record that generated around HK\$1 billion in revenue.

The expo was the last golden chance for over 320 exhibitors to boost their year-end sales. Shoppers could buy a wide variety of goods at great prices at the HKBPE. To further encourage purchase, CMA rolled out a series of promotional measures,

雖然展期縮短了兩天,參展商及攤位的數目亦有所減少,但有賴社會各方的支持和配合,加上當時的社會氣氛稍有緩和,令市民的消費意欲重燃,結果為期22天的展會安然渡過,首兩周的人流更與往屆匹比,而工展會在逆市下的總銷售額仍幾近港幣10億元,成績令人十分鼓舞。

全場超過320個參展商莫不把握這個黃金機會,推出大量精選優惠產品以吸引顧客。為進一步刺激銷情,大會更「加碼」推出連串逆市推廣措施,包括「工展開鑼大優惠」、「全期精彩優惠」、首次推行的「晚間限定優惠」和大手筆送出總值超過港幣380萬元的禮品。此外,大會亦夥拍兩大電子支付商「支付寶」

(Alipay)及「微信支付」(WeChat Pay),並與電子服務供應商「eftPay」及各大銀行合作,推出多重折扣優惠,市民買得方便之餘,亦可享更大的優惠折扣。

財政司司長陳茂波 (中) 親臨工展會支持中小企 Financial Secretary the Hon Paul Chan (middle) visited the HKBPE to support SMEs

including a kick-off promotion, the entire period promotion, and the very first "Buy One, Get One Free" night promotion. Gifts valued at over HK\$3.8 million were also given out. CMA also partnered with 2 major digital payment providers "Alipay" and "WeChat Pay", electronic services provider, "eftPay" and major banks to provide various discounts for visitors to enjoy a convenient shopping experience.

工展小姐候選佳麗 The contestants of the Miss Exhibition Pageant

 節目方面,大會一如既往安排了各種喜聞樂見的舞台節目,包括歷史悠久的「工展小姐選舉」及首次舉辦的「工展KOL選舉」,還有音樂會、粵劇、舞蹈表演等,讓市民在繃緊多時的社會氣氛中得到放鬆的機會。

關愛社群、扶助弱小向來是 工展會的宗旨。除了「工展 購物樂」外,大會亦首度在 現場舉辦慈善拍賣會,讓廠 商會全人、參展商和市民一 同參與,所得善款用以支援 長者及病童。(詳情請參考 「企業社會責任」一章) The HKBPE also involved a wide range of entertainment activities, including "Miss Exhibition Pageant", the long-standing history of HKBPE, the first-ever "HKBPE KOL Contest", live performances, Cantonese opera and dance performances. These activities offered visitors a chance to unwind amidst the intense social atmosphere of daily life.

Caring for the community and providing assistance to those in need has always been a core value of HKBPE. In addition to offering a HK\$300 shopping coupon to each underprivileged family, CMA organised a charity auction for the first time. Through participation, members of CMA, exhibitors and visitors could raise funds to support the elderly and sick children (For more details, please refer to the section entitled "Fulfilling Corporate Social Responsibility").

所謂「聚沙成塔,集腋成裘」。廠商會於「第54屆工展會」首次舉辦的「工展會慈善拍賣會」,獲一眾會董會成員及工展會參展商大力支持,共捐出總值超過港幣17萬元的拍賣品,全部以一折起拍,在3次拍賣活動中,廠商會的會董、員工和市民均非常踴躍參與競投,最後合共籌得逾港幣20萬元,在扣除必要開支後,全數善款撥捐伸手助人協會及香港弱能兒童護助會,以支援長者及住院病童。

為支持基層兒童向上流動,廠商會連續9年 透過「工展顯關懷」計劃捐款予「兒童發展 配對基金」,培養基層兒童儲蓄習慣及學習 理財,從而實踐個人學習目標。在2019年, 廠商會除了捐出港幣48,000元支持該基金 外,亦借出工展會舞台供參與配對基金的 年青人進行才藝表演。 As always, CMA has donated revenue from the HKBPE to the "HKBPE Caring for the Community" programme for charity purposes. Over the past year, the programme has donated HK\$490,000 to finance projects for underprivileged communities. "Shopping Fun in HKBPE" was jointly organised by the CMA, Tung Wah Group of Hospitals, Bauhinia Association and Hong Kong Single Parents Association. The programme allowed more than 1,300 underprivileged people to shop at the HKBPE with a

HK\$300 cash subsidy. The Ladies' Committee also jointly organised the "HKBPE Care for the Elderly" with the Windshield Charitable Foundation Kwai Chung Social Services to invite 100 seniors to enjoy the fun of shopping at HKBPE with a HK\$200 cash subsidy.

Drawing on the adage "many a little makes a mickle", the CMA organised the first "HKBPE Charity Auction" at the "54th HKBPE", which was strongly supported by the CMA General Committee members and HKBPE exhibitors. More than HK\$170,000 worth of items were donated, and all these items went on sale at auctions with starting bids of 10% of their retail prices. The three rounds of auctions received overwhelming responses from CMA General Committee members, CMA employees and the members of public, and more than HK\$200,000 was raised. After deducting necessary expenses, the remaining amount was donated to Helping Hand and the Society for the Relief of Disabled Children to support hospitalised children and the elderly.

CMA has donated to the "Child Development Matching Fund" through the "HKBPE Caring for the Community" programme for 9 consecutive years to provide support for the upward mobility of disadvantaged children. In the programme, kids are encouraged to develop savings and financial management habits to achieve their future educational goals. In 2019, CMA donated HK\$48,000 to the fund and gave the youth participating in the programme the opportunity to perform on the HKBPE stage.

另外,今屆工展會亦邀請了32間社企免費參展, 售賣由弱勢社群製作的手工藝精品、食品和日用 品,為社企籌募經費,同時向社會宣揚關愛互助 精神。

The "54th HKBPE" also offered free booths to 32 social enterprises, which sold handicrafts, food and daily necessities made in underprivileged communities to raise operation funds and promote the spirit of care and mutual help in society.

#### 關注女性發展

#### Support for Women's Empowerment

廠商會婦女委員會致力推動兩性平衡發展。婦委去年委託香港恒生大學進行「2019工商界婦女在社會及家庭中角色」的研究,探討香港女性管理層在職場和家庭崗位上所遇到的挑戰及壓力。研究結果於9月發表,婦委已把是次報告提交予相關政府部門和團體參考,鼓勵社會落實更多支援女性發展的措施。

婦女委員會積極鼓勵女性參與社會及公益活動,去年婦女委員會與社會福利署大埔及北區辦事處合辦「婦女愛心大使選舉」,從71份提名中,選出5位關心社會、熱衷社會服務的「愛心大使」,她們均獲發港幣3,000元社會服務金,以支持她們開展新的義務工作。

The Ladies' Committee is committed to the promotion of gender equality. In 2019, the Ladies' Committee entrusted Hang Seng University of Hong Kong to perform research on the "Situation of Female Management in Society and Family 2019" in order to explore the challenges and pressures faced by female management in the workplace and family in Hong Kong. The research was

published in September, and the Ladies' Committee has submitted it to relevant government departments and organisations for reference. It is hoped that society can take more measures to support women's empowerment.

The Ladies' Committee also makes proactive efforts to encourage women to participate in social and charity activities. In 2019, it joined with the Tai Po & North District Social Welfare Office of the Social Welfare Department to jointly organise the "Lady Ambassador Election". From 71 nominations, 5 winners who care about societal development and are keen on social services were selected as "Women Ambassadors of Love". Each winner received a HK\$3,000 social services fund for their future volunteer activities.

# 建構可持續環境 Building a Sustainable Environment

為提倡環保,廠商會引入綠色辦公室概念,透過實行無紙化會議、節約能源及綠色採購等,以加強員工的環保意識。

廠商會也將綠色文化融入業務之中;「第 54屆工展會」實施了一系列走塑減廢措施,在會場內設置回收箱、免費斟水設施、 售賣環保餐盒及推出「自備餐具購物優惠 計劃」,以減少製造塑膠廢物。另外,大 會再度與「齊惜福」合作,將會場內收集 到的廚餘轉化為堆肥並分派予公眾。「齊 惜福」的教育車亦進駐了工展會場,透過 互動遊戲,向公眾宣傳珍惜食物和減廢訊 息。

過去一年,廠商會積極推動工商界參與環保工作,包括擔任「中銀香港環保卓越大獎2019」的合辦機構,以及中電「創新節能企業大獎2019」和「2019第十四屆國際環保博覽2019」的支持機構,以鼓勵業界採用更多創新的環保方案。

In order to promote environmental protection, CMA introduced green initiatives to its offices. These included implementing paperless meetings, energy conservation and green purchasing to enhance the awareness of environmental protection among its teams.

CMA has also integrated a greening culture into its business operations. The "54th HKBPE" implemented a series of low-waste and plastic-free measures, including the provision of recycling bins and free water dispensers, environmentally friendly meal kits and the implementation of shopping discounts for shoppers bringing their own tableware. HKBPE also partnered with "Food for Good", an environmental group, to convert the food waste collected in the venue into compost and distributed it to the public. The "Food for Good" educational truck has also been stationed in the HKBPE to promote the message of reducing food waste among the public through interactive games.

CMA actively encouraged the participation of the business community in environmental protection over the past year. It jointly organised the "BOCHK Corporate Environmental Leadership Awards 2019" and served as the supporting organisation of the "CLP Smart Energy Award 2019" and the "14th Eco Expo Asia 2019" to encourage industry to adopt more innovative environmental protection solutions in its operations.
